2020 Virtual State Bowling Tournament

November 7, 2020

Dear Athletes, Families, Coaches and Friends:

Congratulations to all of the athletes that participated in the Virtual State Bowling Tournament. It was not an easy decision to not conduct an "in person" State Bowling Tournament which was to be on November 7 & 8 with an anticipated 650 bowlers from throughout ND. The State Bowling Tournament gives you, our athletes, the opportunity to showcase your strength and abilities, and our focus right now must be just that: Keeping our athletes strong. Yet this is still incredibly disappointing as you (our athletes) pour your heart and souls into your training and you count on the Special Olympics community for a sense of purpose and belonging. For this reason we felt that giving you a different opportunity to demonstrate your talents through a "Virtual" event will provide some happiness during the coronavirus pandemic.

Together, our movement believes in creating a world where each person, regardless of ability, is accepted and welcomed, and where every individual contributes to the strength and vibrancy of the whole. Sports is a universal language which unites people on and off the field of play, and its lessons are relevant to all of us – families, youth, educators, medical professionals and government leaders. When people are touched by the Special Olympics movement, traditional barriers of race, ethnicity, education level, social status, religion, and economic background disappear and the human race as a whole prevails.

Special Olympics North Dakota is Powered by sport and the magic that happens through simple engagement from a virtual event will be a new type of fuel that continues to ignite a revolution of acceptance and respect. Our hope is that very soon when the dangers of COVID-19 diminish that every athlete will have the experience that they will treasure throughout their life, that every fan will cheer with gusto and that every person who participates as a fan in this event will be touched by the human greatness they will witness.

Sincerely,

Aaron Hummel
